From the President's Desk

Greetings Members,

As your new club President I want to thank outgoing board members and Alison Nelson for their part in getting many large projects completed. Having been on the board for over ten years prior to retiring as Training Director last year, I'm well aware of the commitment, hard work and decisions that affect our club. This is our 65th year, a great accomplishment for any club!

Our annual awards for Achievement and Sportsmanship were postponed to this month. Come help us celebrate at the general meeting, Thursday, July 21st starting at 7:30 p.m.

The instructors met and came up with some wonderful suggestions which will be fine tuned before implementation. One goal is increase interest in formal obedience competition. Obedience course descriptions will be streamlined for clarity and a chart indicating progression of classes. We'll announce "Classes Starting this Month" on our Home and Events/Calendar pages.

Show-N-Go: Per Alison Nelson: "I had not planned organizing show and go in July or August due to heat . I will organize September, do the C match for the trial and the rest of the year. Starting September I'll return to the Saturday 12:30 slot which gives out of towners time to get to K-9. I also want to set a monthly calendar for the Show and Gos for the year based on the trials in our region."

I'm still recovering from shoulder surgery. Please be patient with me in returning your messages and/or calls. Typing with just my left index finger is time consuming and frustrating!

Stay cool!

Colleen Whalen

Show and GO!

Due to the extreme heat, Show and Gos will take a brief hiatus and will resume in September.

Wall Tile and First Coast No More Homeless Pets

At our October Trials, we held a "Flea Market" and raised over \$300 for First Coast No More Homeless Pets. For our donation, we received a tile with our club name and web address on their wall. The funds supported the new building for FCNMHP.

This new facility will be able to serve triple the people and pets as the current location on Norwood Avenue and will continue to provide low-cost spay/neuter and vet services for the people of Jacksonville and their pets.

Congratulations!
