## From the President's Desk

We're full steam ahead for our October Trials to be held Oct. 13 and 14. There will be one Obedience and one Rally trial each day. As **Steve Picciuolo** will be our only judge there will be some strict limits that will be stated in the Premium. We will only take a total of 10 Utility (any combination of Ut A or B that totals 10) and a total of 10 Open entries (same) each day. Those are the only limits in Obedience. There will be a total of 30 entries accepted in Rally each day. This will be a small trial (perfect for me learning the job of Trial Secretary). The premium will be available August 1<sup>st</sup>, so if you are interested please get your entry in ASAP.

Congratulations to our members who titled their dogs during 2017! Huge congratulations go to the 2018 recipients of the Outstanding Achievement Award, **Marcia Ladendorff** and the Good Sportsmanship Award, **Lu Mota**. These ladies have gone above and beyond and exemplify what it means to be an exceptional member. They are an inspiration to all of us.

## President's Desk (Continued)

**We are in desperate need of a housekeeper!** This is a once a month job that entails sweeping/wiping sinks/cleaning toilets of the bathrooms, emptying trash and putting in new liners, vacuuming the clubhouse and wiping down counters and checking the fridge for any food that needs to be thrown away. Finally, the dreaded poo can needs to be emptied – yuk, I know. I know because I've done it many, many times. Housekeeping was my first volunteer duty when I joined K-9 in 199(?). I cleaned the house, bathrooms, etc. last month and will do it again this month but, before I do, I thought I would give a very special member a chance to step up. Your 2 hours (max time for cleaning – usually it's an hour and a half job) will count toward volunteer hours if you would like to get a key next year. Provisional members are welcome to volunteer also – this is a job that counts on your card. If you are willing, email me and I will get you a key or meet you there. I'll even help you if you want a little guidance the first time. If nobody steps up to volunteer this can be a *once monthly paying job*. Let me know.

Things slow down quite a bit at K-9 during the summer heat. We do have some new classes starting. We will be having team practice for DOCOF on Sundays starting July 22 through August. We'll start early – 8:30 – to avoid the heat and **all members are invited to practice with us.**

- Ginny

## Personal Notes

Our thoughts go out to Anita Gard on the loss of Parek. Parek was with Anita for over 12 years and was her first dog-of-all-trades. He earned titles in Obedience, Rally, Tracking, Schutzhund (IPO), and Nose Work. At 11 years he easily learned new skills to earn a Trick Dog Advanced title. At 12 years he came out of retirement to earn his Nose Work 3. But he will be remembered best for his ingenuity and persistence in opening doors, containers, fences, and whatever else that stood between him and anything he considered even remotely edible.
